VOLUPTUOUS READERS' HOT, SECRET CONFESSIONS

MY BONNIE BANKS FANTASY

Dear *X-Rated Files*,

My confession is real, but the woman I describe is inspired by the pictures of Bonnie Banks in *Voluptuous* (August 1999). I've been a subscriber for years, and I'm Bonnie's devoted fan. She is uniquely beautiful as a mature woman. My confession goes like this...

"Jeff, you need to see your Aunt Bonnie," my mom said. She really wasn't my aunt, just a close friend of the family. Bonnie's husband, Harry, had run off with a young chick and Bonnie was despondent. Mom was pretty cool about the whole thing. She knew what Bonnie needed, and she knew I adored Bonnie, so she sent me over for a visit, even though I was only 18 years old, not quite half her age.

I got on my bike and rode over to Bonnie's house, just 10 minutes away. I knocked and let myself in. Harry and Bonnie's house was pretty nice, a big ranch-style place with a tropical garden and a beautiful pool that had been designed by an architect from Italy. There was a rumor Bonnie had messed around with him, and another that she and Harry'd had a threesome with the architect. I'd jerked off more than a few times thinking about Bonnie being fucked by those two.

Anyway, Harry was one of these Type-A personalities who thought making money was more important than his wife. Now that he was hitting mid-life crisis, he was chasing babes young enough to be his daughter. I'd heard he'd made a video of an orgy at their house, too.

Bonnie was finishing a margarita, and there was a half-pitcher sitting on the counter, so it wasn't her first drink. She was tipsy and clearly pleased to see me. She looked good, better than I expected. She'd been talking to my mom, and

she'd been expecting me. "Would you like to take a dip?" she asked.

"Great," I said. It was a warm day. Bonnie was in a form-hugging, peacock-blue bathing suit with strategic cutouts that exposed some of the most delicious parts of her ample figure. Her bathing suit was wet and the shape of her big nipples was obvious. She'd put on a little weight, but it was in all the right places. I'd never seen her like this before. I had no idea she had such a great body. She was a mature woman, not like the teenies I'd known.

"Why don't you get a suit from Harry's dresser and join me in the pool?" she said, her voice sounding rather seductive. I wondered if she saw the instant boner her words produced.

Looking through Harry's dresser, my hard-on started going crazy. There were pieces of Bonnie's underwear lying on the bed and I wanted to jack off in them right then and there. As I thought about this new, luscious Bonnie with full hips and big boobs, my balls swelled with fresh sperm. Bonnie's voice from the pool deck startled me. "Jeff! Are you coming?" I almost lost it right there. I finally found a pair of swim trunks and slipped them on, trying to tuck my

erection in the waist band so it wasn't too obvious.

I joined Bonnie out by the pool. She had a fresh margarita in one hand and was entering the shallow end, steadying herself as she negotiated the tile and mosaic steps. I dove in at the deep end and swam underwater towards her. I opened my eyes and found her legs, pulled her knees apart gently and swam between them. She was delighted. I hugged her and got really hard. I swam through her open legs again and took time to feel her thighs. They were smooth and soft, and she was willing. I came up for a breath of air and then dove down again. This time, I kissed the inside of her thigh and blew bubbles that ran up her leg. Bonnie squealed with excitement. I surfaced behind her and hugged her, cradling her big boobs in my arms and pressing my throbbing hard-on against her full round ass. She liked it! I found the snaps on her bathing suit between her legs, unsnapped them and felt Bonnie's soft pussy hair.

This was far enough for a cheeky young man—for now. Bonnie got out of the pool, not even bothering to do up her snap, and walked back into the

house making sure I could watch her beautiful ass wiggling as she did. I did a lap or two to cool down, then got out and went into the kitchen to get a soda from the fridge. I looked around for Bonnie for a minute, then decided to go out to the sundeck to chill. My prick was still pounding, though. I put the cold soda can against my pecker, but my cock stayed hard as a rock.

I'd almost finished my drink when Bonnie came out. She had another margarita and a bottle of sunscreen, that expensive European kind. Her swimsuit was pushed down so it just covered the tips of her nipples. She'd already rubbed some sunscreen on the tops of her tits and they were glistening. There were still a few drops of sunscreen resting on her globes and all I could think of was my jizz shooting all over her. She had on some sexy designer sunglasses and she was wearing a clear lipstick that made her mouth look wet. She smiled at me and apologized for letting me go as far as I did. But the way she said it, I knew she enjoyed every moment. God, I wanted her real badly. I was certain my dick was ready to bust a hole in my swimsuit.

Bonnie spread her towel on the grass

next to me. She put sunscreen on her neck, arms and shoulders.

"Let me do your back," I said as I took the bottle. She smiled as I covered every inch of her skin with loving care. Then I said, "Let me do your legs." Bonnie seemed a little anxious as I got down on my knees beside her, but she took a big pull of her drink and let me continue. When I got to her crotch, she opened her legs, closed her eyes and lied back as I undid the rest of the suit fasteners. I slipped my finger into her drenched pussy.

"I'm so horny, I could die," she groaned as her pussy got even wetter.

"I can tell," I answered. Then I slipped two fingers into her. I slipped off my swimshorts, then moved up and pulled her shoulder straps down, completely exposing her big, natural breasts. They were absolutely beautiful.

Bonnie sat up and saw I was totally naked. Her eyes got big when she saw my hard cock. "I've got to have a taste of that," she said. She took it in her mouth and gulped it hungrily. Bonnie gagged a little and said, "It's so big." Then she went to work on the purple head, rolling her tongue around it. I was feeling her big, gorgeous tits. Her areolae were medium sized and her nipples were long. I was close to

exploding, so I stopped her before a little bit of pre-cum dribbled out. I wanted to feel my rock-hard cock slipping into Bonnie's pussy.

Then a noise came from the neighbors' yard. "Come on," said Bonnie. "We have to go inside." She took my hand and led me into the house.

In the bedroom, she took off her swimsuit and sat on the edge of the bed. Her body was everything I'd fantasized about and more. Bonnie was reluctant to ask, but I could tell she wanted me to go down on her. Harry probably hadn't eaten her in ages.

"Kiss my pussy," she said.

I found her clitoris and lapped it good and put two fingers inside her, then three. Her pussy was wet and red like a rose in full bloom. After I took a few licks of her pussy, she took my cock in her mouth, licking and sucking until I came in a big flood. My cum filled her mouth until it spilled out the sides.

"You're a great lover," Bonnie told me. We talked for a while, then she got some pillows from beside the bed, lied down with them under her belly and ordered, "Do me from behind!" I mounted her, rubbing my throbbing prick against her dripping pussy and then thrusting it all the way in. I reached around her body, cupping her

magnificent, squeezable boobs. I humped her for I don't know how long. Bonnie's moans and groans told me I was doing everything right. Then she started shaking, and climaxed again!

Later, Bonnie and Harry made up. They sold the house and moved away. This was all a long time ago, but I sometimes wonder what could have happened between us. But I will never forget that incredible afternoon I spent with Bonnie and her big tits.—J.L., North Hollywood, California

RINGING IN THE NUDE YEAR

Dear X-Rated Files,

I travel overseas almost constantly for business and I have more than my share of lonely nights.

One New Year's Eve I spent in the rather sleepy city of Ljubljana, the capital of a tiny country called Slovenia, between Austria and Italy. I had spent the week negotiating a pharmaceuticals contract with one of that country's leading firms. The abundance of spectacular women in that charming city had not escaped me, but the language barrier being an issue, I wasn't sure how to approach them.

I was uncommonly randy by the time I found myself alone in my hotel room at the end of each day. I would strip down and, giant boner waving, sit at my computer in the nude, surfing Scoreland.com and jacking off. One night, I came upon a splendid Slovenian blonde named Cassandra, who I had seen in a recent issue, November 2001 to be exact. Her amazonic proportions and extraordinary natural bosom, as well as her enthusiasm for cock sucking and an outrageous appetite for anal sex, had inspired me to let gallons of my semen fly. I allowed myself to imagine I could encounter such a creature in reality.

I had resigned myself to an evening of solo entertainment in this quaint little hotel, with a nice dinner from the very capable restaurant delivered by room service, as well as a bottle of champagne all to myself. I certainly would be popping my cork this evening as I rang out the old. I arrived about half past 10 at the hotel and walked up to the front desk. The concierge was absent. In his place was a stunning creature who made my jaw drop and my flagpole point skyward. The young woman at the desk was the

Housedancer Ivvy filled our nutsacks to overflowing in her March '01 V-Mag debut. She keeps coming back because V-Men demand it. Now over her initial shyness, Ivvy is a top-shelf V-Girl with a great top shelf. "I know guys like how I dance, but I wasn't sure how'd I look in pictures," she said.

Face it, men, Ivy's the kind of gal you really want. She's blue collar through-and-through. Just take her to a hockey game. Split some beer and buffalo wings (she'll go Dutch). Take her home. Let her give you a massage, do you in a steam bath, then blow you while watching reruns of *Seinfeld*. Who says strippers ain't regular girls? "I really *am* a regular girl," she said. "Like I've said, I don't like pretty boys."

She's English babe Tracy Gibb, and we're running this pictorial because your V-Mag editor wants to go home and jack to it.

ANNIE SWANSON: THE GIRL NEXT DOOR

The world's greatest reader's girlfriend wants you to know: She loves having big tits.

By DAVE ROSEN & ELLIOT JAMES

Her name is Annie, she's a sweet little thing from New Jersey and she has one of the finest racks you'll ever see. The fact that she's only 4'11" tall makes her tits seem even bigger, but those beautiful flesh pillows are only part of the reason she's become so popular since making her V-Mag debut in the September '02 issue.

For one, she's a reader's girlfriend, and her appearances in V-Mag are the fulfillment of every V-Man's fantasy.

Second, before she came to *Voluptu-*

ous, she had never so much as danced nude. Look at her now. On top of her three V-Mag appearances, she's done girl-girl with Autumn in *Bosom Buddies* #5 and boy-girl hardcore in *Voluptuous Xtra* #5. Damn impressive.

But, best of all, as you're about to learn in this exclusive interview, she's completely unassuming, entirely modest, totally thrilled to have become the object of so many readers' fantasies. The ultimate girl-next-door.

Don't you wish she lived right next door to you?

V-mag: Welcome, Annie, and let me ask you this: What are you wearing?

Annie: It's a shirt and a pair of shorts.

V-mag: Well, that shirt doesn't seem to have much to it. What's holding your breasts up?

Annie: It has a built-in bra. It's the only kind of shirt I can wear. I can't wear a halter top without a sports bra in it.

V-mag: Do you ever go around wearing a halter top or anything like that without a bra?

Annie: Sometimes, if it stays up. I made the mistake of wearing my prom dress

without a bra. It fell down the whole night. I had a few incidents where my boobs popped out of my dress.

V-mag: That must have been a scene.

Annie: You'd better believe it was!

V-mag: Do you always wear things this skimpy when you go out?

Annie: Skimpier. Halter-tops, tube tops. They barely cover anything. It's hard to find anything that covers me, so I don't even bother to try.

V-mag: Are you a woman who likes to show what she has?

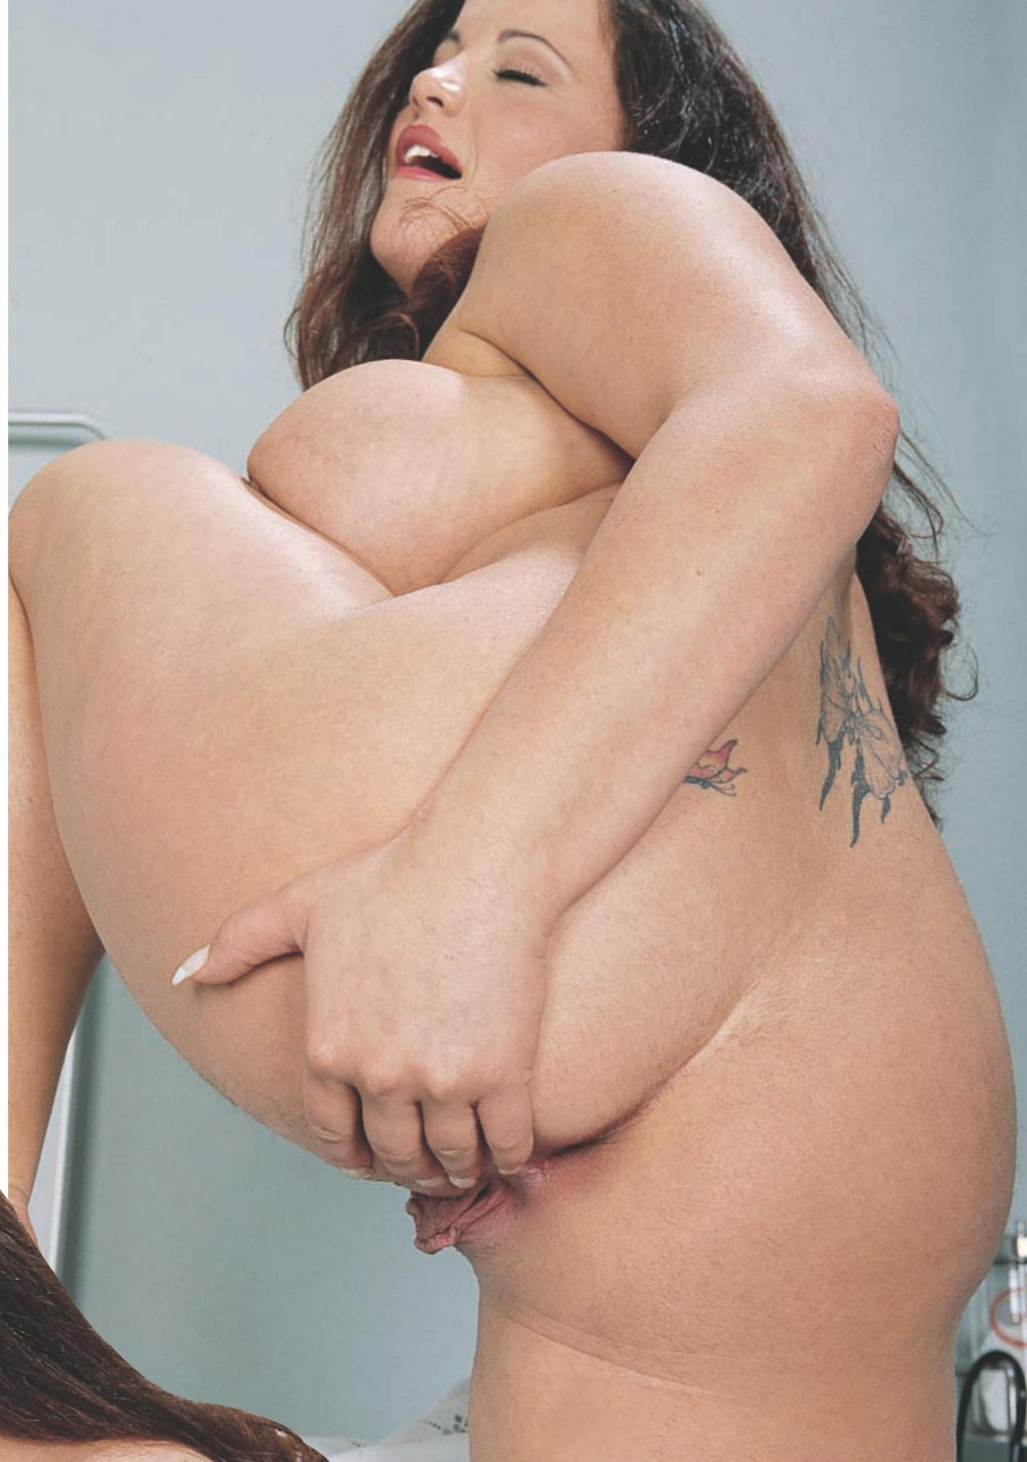

Annie: I am. I have my days, like everybody else, when I feel real attractive and I wanna wear something sexy.

V-mag: Do you get more than your share of attention when you're out walking around?

Annie: Yes, but it's not all good attention. You have your share of guys who just like to make comments. And there are lots of girls who make comments. You know, "They're not real, they can't be real." Just little things like that.

V-mag: Are women cruder than guys?

Annie: Yeah. I especially get it from small-busted women. They like to

make comments that aren't so nice.

V-mag: Do you think they're jealous?

Annie: A lot of times, yeah.

V-mag: How about guys?

Annie: A lot of guys actually think they can touch 'em! Like, they say, "Are they real?" or "What size are they?" "Does your back hurt?"

V-mag: Guys just walk up to you and say those things?

Annie: I get it a lot, no matter where I am. The food store, doing laundry. I don't even attempt to walk along the street by myself in something tight or wearing a T-shirt. I actually had a whole family once, in an elevator, turn

around because the mother got mad. She had her son, daughter and her husband, and she had everybody turn the other way because I had a bikini on. I'd never had a family turn away from me!

V-mag: They all just turned away?

Annie: The whole family just turned away from me. The dad looked at me,

and then the mother made everybody turn around. And it was a glass elevator, so you could see out the window, so they all pretended they were looking out the window. And then when everyone was getting off the elevator, I just heard them laughing and making comments. It bothered me a little, but there was nothing I could do.

V-mag: Are there times when you like the attention?

Annie: There are. There are times where people make amazing comments, where they say really nice things like, "Wow, you look great." You know, not anything that pertains to my boobs. A lot of the time people are in awe, where they can't say anything, where they're just like, "Omigod." That's what I get a lot. "Omigod." [laughs] And "Wow!"

V-mag: Can we go back to your boob beginning? What grade were you in when you first began to bust out?

Annie: I was wearing a bra in fifth grade. Not a training bra. A real bra.

V-mag: And would you say you were about 11 years old at the time? Do you remember what you measured?

Annie: I don't remember then. I remember by the time I was in sixth grade, I believe it was, I was a C-cup.

V-mag: You must have had the biggest boobs in your class by far.

Annie: Half the girls hadn't even started developing yet. A lot of girls didn't like me. [Laughs]

V-mag: Did you dress to cover up at that time?

Annie: A lot of the teachers made me.

V-mag: Female teachers.

Annie: Female, male. I mean, I actually had a social studies teacher that stared at me. A lot. So a lot of teachers told me that I had to cover up, so I'd wear sweaters all the time. At that time, I was really self-conscious about having big breasts. I mean, anybody'd be self-conscious if you're the only one. It's kind of like being in a minority.

V-mag: So you didn't like it at first?

Annie: No, I didn't, especially when it came to changing in gym class, and having all the other girls stare at me. And making comments about me.

V-mag: Were sports impossible?

Annie: I never ran. Actually, a few times, I failed gym.

V-mag: You failed gym?

Annie: Yeah, 'cause I wouldn't change. I wouldn't run. I wouldn't play soccer or kickball, only because kids would

make comments about me when I ran, like, "Don't give yourself a black eye." or "Don't knock yourself out." At that age, you get upset.

V-mag: Sounds like a great *National Enquirer* cover: "I Failed Gym Because of My Big Boobs!"

Annie: [laughs] That's what it was. Failed because of my boobs.

V-mag: When were you a D-cup?

Annie: I was a D-cup by my freshman year of high school.

V-mag: So when you were 14...

Annie: I was a D-cup, going into a double-D, and then a triple-D by my senior year of high school.

V-mag: So you were the bustiest girl in your entire high school.

Annie: Yes. And in high school, you have dress codes, and if I wore something like this, or a little tank top, and another, we'll say flat-chested girl was to wear it, teachers wouldn't say anything to her, but they would say something to me. I got detentions because of the clothes I wore. I got suspended. I was sent home.

COCO

We're goin' koo-koo for Coco. And so are our cocks.

Sometimes we're lucky here at *Voluptuous*. Four newcomers in one issue. That's a damn good number by anyone's measure. And, this month, two of them fell right into our laps: Kat Vixen (page 19), who was visiting South Florida when we found her, and Coco, who lives in nearby Fort Lauderdale. What's also fun is when the four newcomers in an issue are so different. Kat, the kinky plumper. Natasha (page 78), the cute Euro babe. Cherry Brady (page 90), the hourglass dream. And Coco, the voluptuous older woman.

BARE FACTS

Age: 45 Birthday: March 26, 1957 Height: 5'4"

Weight: 150 lbs. Measurements: 40-28-38

Bra Size: 36DD Born: Kansas City, Missouri

Lives: Fort Lauderdale, Florida Occupation: Model

Coco is 45. No, that's not her chest measurement, although it's close (she's 40 inches around up-top). It's her age. Forty-fucking-five. As if any V-Man half her age would ever turn down the opportunity to hop into the sack with her and give those chocolate flesh pillows a squeeze or two. "I like having large breasts," said Coco, whose favorite recreation is relaxing. "I didn't always. I didn't like getting looked at all the time and thinking men only liked me because of my big breasts. But clothes look so much better when you have big breasts, and there's nothing wrong with getting attention from men."

GINA LA MONTANA

Call her The Super Body Woman. Call her The Brick House. Just call her.

"Once you get 'em out, it's hard to get 'em back in." That's Gina Marie La Montana talking about her enormous epidermal extensions (that's T-I-T-S to you) and their ability to free themselves from whatever bra she uses to control them. See, Gina's 44DDD's have a mind of their own. They just wanna be free. And, here at V-Mag, we believe in holding no breasts hostage.

If you've seen Gina bare her boulders at Daytona Beach's Bike Week or the infamous flesh festival Nudes-a-Poppin, two plaves she's shown off her naked body, your bone has reached perpetual erection. Gina truly embodies the word voluptuous. "I prefer Bike Week because the women look more like me," she said. "But none of them look exactly like me. I'm still unusual there."

SOPHIA

She's Czech. She's beautiful. She digs free sex. She's a V-girl.

Each time a new Sophia pictorial appears in V-Mag or SCORE, we're ready to pack our bags and move to Prague. Here's a girl who has it all. Angelic face. Big, natural tits. Killer legs. A fleshy ass and a trim waist. Loves to have sex. Will do you in more ways than you can count. Craves anal. There's something about these girls from the Czech Republic. They're dreams.

**"I've never
had a man
say to me,
'You should
lose weight.'
I wouldn't."**

Maybe it's our engorged members talking, but we could swear

Sophia's looking more, well, voluptuous with every photo session.

Fuller. Rounder.

Juicier. Is it that Czech girls seem to think fucking is like brushing your teeth? Is it the touch

of wild Gypsy we see in Sophia's totally uninhibited sexuality? Take a

look, V-Men. Look at how she's looking at you, like

she's saying she's ready to do you right now. "Sex for me is something

natural and necessary," she said.

"Money comes or maybe does not come. But sex is always coming."

And what comes with that? She made us promise not to tell, although

you can find out most of what you need to know by checking out the

Natural Wonders of the World videos in which she has appeared, numbers

eight and 10 (available at eBoobStore.com).

In 10. Sophia gets boned outside while wearing tight jeans that have been torn to shreds.

She stares into the camera and fucks.

CHERRY BRADY

Your wait is over. The ultimate V-Girl is here. Give her the one-handed salute.

Gentlemen, feast your eyes on this. Last month, we teased you about the ultimate V-Girl, a housewife from California who had sent us her test shots and was flying into Miami, Florida for her first V-Mag photo shoot. And now, here she is, Cherry Brady, a 32-year-old secretary who measures 41-28-39 and is living out her lifelong dream: to get naked in a men's mag.

BARE FACTS

Age: 32 **Birthday:** December 25, 1970

Height: 5'3" **Weight:** 150 lbs.

Measurements: 41-28-39 **Bra Size:** 36G

Lives: Orange County, California

Hobbies: "I like to ride dirt bikes, go shooting (target or trap and skeet), water ski, scuba dive and, most of all, drink beer."

Best pickup line: "Was your daddy a carpenter, 'cause you're giving me a woody."

LINSEY DAWN & SUSIE

The Millennium Boob-a-thon: Two of the biggest in the world get crazy.

Take any titman and ask him to name the babes with the ultimate natural mams. Chances are he'll include English busters Linsey Dawn McKenzie and Susie Wilden on his short list, and if he doesn't, do your boob-duty. Hand this poor, misguided fool a copy of the brand-spankin'-new video *Bosom Buddies* #5. He'll thank you for it in the morning...after he finishes spanking to what has to be, by anyone's measure, the Main Event of Big-Tit Girl-Girl. Let the boob-smacking begin!

**“I know I have huge
bristols, but
Linsey’s
were amaz-
ing. I loved
them!”**

Susie’s no slouch, either, with her G-cup breasts. And Susie’ll be happy to know that Linsey, she of the HH-cup beauties, put in a good word for her, too. “It’s always nice to be with a girl who has big boobs because we both know what it’s like,” Linsey said.

“And Susie’s so young and sexy.”

The Linsey and Susie segment in *Bosom Buddies* #5 is anal-filled girl-girl that peels the paint off the walls. These pix are a smidgen of the scenes you’ll enjoy, including the longest twat-locked two-girl multiple orgasm ever captured on video, plus incredible overhead shots and Linsey taking dildos in both holes. LDM seduces Susie as she returns from a tropical vacation.

“Isn’t it a coincidence how I just bumped into you at the airport?” she tells Susie. LDM invites her to the spa to “put some cream on her.” The sequence with a pistol shaped dildo in her pussy and a pocket rocket in her ass is Linsey’s wildest ever.

NATASHA

**Irish eyes are smiling.
And so are our Johnsons.**

Natasha McGuinness is a saucy redhead from Ireland who was in Spain on vacation when our photographer eyed her on the beach. She was wearing a lot of sunscreen to protect her pale skin, but nothing could hide her E-cups from a boob-man on a mission. At first, she refused the offer to get nekkid. Then she changed her mind. "I've never posed for naked pictures before," she told our photographer.

"I'm only doing this because I'm on holiday and my girlfriend put me up to it." Whatever. We're only too happy to run her debut photos, and we like the added touch of plaid on an Irish girl. "I didn't think showing my knockers and pussy would turn me on so much," she said. "But I was wet the whole time this was being shot." We understand Natasha's excitement. She's got the kind of creamy skin and billowy boobs we love. Her breasts have the firmness a 21-year-old's should have. If you beat your cock against them, it would have a cushiony landing.

SIERRA: AS YOU LIKE HER

Ass filled, floppers flopping, mouth sucking. Just the girl we love.

"I don't like pretty boys. I don't like body builders. I don't like any guy who stands in front of the mirror longer than I do," says Sierra, the hottest naturally big-titted porn star on the planet. "I go out with a guy because of his personality. If he treats me like a princess and sexes me up, I'm happy." Well, in this pictorial, we're gonna see how cock makes Sierra happy.

**Voluptuous
XTRA**

When V-Mag editor Dave Rosen did a video interview with Sierra the first time she visited The SCORE Group, it degenerated into a shockingly explicit masturbation and tit-play session. When publisher John Fox asked Dave what he learned in the interview, Dave said, "I learned that I'm right: Sierra has the pinkest pussy in porn." You can jack to the clips at Scoreland.com. Sierra is S-E-XXX. She wants everything in every hole and freely admits she's addicted to anal. When she was doing this layout, she had an on-camera orgasm.

JEZHABELLE, LAURA-SUSIE GIRL-GIRL & INTERRACIAL

Dear *Voluptuous*,

Here is a rundown of the features that impressed me most from the December issue:

1. The premiere of the lovely Jezhabelle. A remarkably beautiful and sexy lady who is not shy about demon-

Jezhabelle debuted in the December issue. You'll be seeing lots more of this sexy V-Girl.

Laura Bailey sucking on Susie Wilden was a December highlight.

strating her carnal talents as well as every inch of her gorgeous physique. If the way she masters her dildo is any indication, I'd love to see her with a flesh-and-blood cock.

2. Perhaps the best girl-girl spread I've ever seen is the Susie Wilden and Laura Bailey piece. Of course, I may be prejudiced about this one since it features two of my favorite *Voluptuous* models. Susie is radiant and Laura is insatiably beautiful.

3. Another great find is the jaw-dropping beauty and sensuality of the lovely Tracy. She is the epitome of the voluptuous lady with a winning attitude. She is reminiscent of the great Hungarian model of yore, Ildiko. Wow, they really know how to breed them over there!

A final thought concerning the issue of black men and white women. The letter writer in the December issue is right on the money. I recently wrote in to your sister publication, *SCORE*, stating I'm very much in favor of seeing more spreads featuring black studs and white ladies in magazines and videos. Throughout the years, this type of interracial porn has been a big seller and well received

critically. Of course, there will always be people with hangups about it, but along with it comes a certain erotic enigma that is very stimulating.—C.J., Swansea, Illinois

A BLACK & WHITE ISSUE

Dear *Voluptuous*,

A few years ago, a reader wrote in to ask why there were no black men paired with the women in your hardcore section. Your response was that it was an individual choice made by the models, a fair and just explanation that I was able to respect at the time.

However, with the appearance of more black women (and other women of color) in the hardcore section, the explanation now becomes a little hard to swallow. Recently in your magazines and in videos, you've featured Kim Hines, Amanda White, Sierra, Faith, Lola Lane, Africa and, most recently, Chaka T. The only model to appear hardcore with a black guy was Africa.

Voluptuous no doubt has many dark-skinned readers who would like to see a few men of color paired with the models so that we, too, can share in the fantasy of nailing our favorite big-boob models. It almost seems *Voluptuous* isn't making a real effort to pair female models with men of color. Perhaps it was merely an oversight, but I would like to see a real effort made to show

Chaka T. fucked a white cock in the Oct. '02 issue. Interracial sex—particularly black men with white women—is a hot issue among V-Men.

Tracy, December's Plumper of the Month, reminded one reader of former Hungarian V-Girl Ildiko, who last appeared in the Spring '94 issue. We see the resemblance.

Amanda White, Chaka T. or whoever else getting rammed by a long, black dick as well. Thanks.—M.G., Florida

B&W? NO FUCKING WAY!

Dear *Voluptuous*,

In response to the letter in the December '02 issue asking for more interracial scenes with black men and white women, all I can say is, "No fucking way!"

If the guy wants that, there are a million places to find it. Just like if a guy wants silicone boobs, there are a million places to find that. Stay true to your roots: the best damn mag out there for white guys to get off on hot, naturally stacked, chicks.

I would prefer that you start a new mag if there really is demand for interracial sex, as you did with XL for the fans of the really big girls. But please, please don't ruin my V-Mag.—J.D., email address withheld

DON'T GO INTERRACIAL!

Dear *Voluptuous*,

I finally got a copy of the latest V-Mag and was stunned by the editorial (V-Mail, Dec. '02). Are you seriously considering going interracial on your loyal fans? Did it ever occur to you that the reason you are successful is that you are one of the only BBW/big-tit mags that doesn't have interracial pics?

A lot of white guys (and I am white) are into the full-figured ladies. Other

than your magazine, it's slim pickings out there in the world of porn. A big part of why guys like porn is the fantasy that they are with the chicks, and a part of that fantasy is guys that look like them.—Email address withheld

Dear Reader: That wasn't our editorial. It was a letter from a reader encouraging us to run more pictorials of black men with the white V-Girls.

The great Diane Poppo had red on top in the Dec. '02 issue.

DON'T RUIN A GOOD THING

Dear *Voluptuous*,

Part of the reason I, and I am certain many others like me, buy your magazine is because it is one of the few magazines out there that doesn't do interracial scenes. Don't ruin a good thing.—Name and address withheld

POPPOS! NEVER BETTER!

Dear *Voluptuous*,

Thank you for rescuing the stunning Diane Poppo from that other gentlemen's magazine and giving her the opportunity to display her massive attributes in a first-rate publication.

For many years, I have followed this gorgeous woman's career and become a huge fan in the process. Who else possesses such a complete package as Miss Poppo?

The cover shot of the December issue of Diane tugging on her incredible breasts and her sweet, pouty face had me shelling out my eight bucks in no time. In fact, the entire issue had to be one of the all-time greatest ever published. Once again, *Voluptuous* proves it's miles ahead of the competition.

Please continue your recent trend of featuring the models in more explicit pictorials. I realize quite a few will never be persuaded into following some of the other models into the realm of hardcore, but dildos and toys are also extremely sexy.—J.S., Boston, Massachusetts

DENISE: TOTALLY PLUGGED

Dear *Voluptuous*,

Wow! Denise Davies' dildo-laden pictorial in the December issue was hotter than most boy-girl XXX I've seen. No doubt about it, her swollen milk bags have never looked better, but the way she sucked on that pink dildo, wrapped her huge floppers around it and then shoved two fuck-toys up her ass and cunt had me cumming in buckets. I think I've jerked off to every picture in that spread at least once.—E.J., London, England

LORNA MORGAN'S GOT MILK

Dear *Voluptuous*,

Another super Lovely Lusty Lorna Morgan layout in the December issue. A fine addition to the growing collection of Lorna Morgan Mammary Masterpieces. Lorna's got milk and plenty of it! She again gets my vote for the 2002 V-Mag Model of the Year.—John, Toronto, Ontario

Lorna Morgan's milky pictorial in the Dec. '02 issue might have been her best ever.
